IN THE HIGH COURT OF JUDICATURE OF BOMBAY

CIVIL APPELLATE JURISDICTION

CIVIL REVISION APPLICATION NO.92 OF 2006

Smt.Ujwala Bhanudas Shinde. ..Applicant.

V/s.

Shri Vinayak Ramchandra Shinde & Anr. ..Respondents.

Mr.V.Y.Jadhav for applicant.

CORAM: A.M.KHANWILKAR,J

DATE : JUNE 14, 2006.

P.C. :

1. Heard counsel for the applicant.

2. I see no merits in this revision application which takes exception to the discretionary order passed by the Court below. The Court below by the impugned order has condoned the delay, which was only of 63 days on accepting the explanation offered by the respondents. The view taken by the Court below in that regard is a possible view. Hence not a case for exercising revisional jurisdiction. Dismissed.

3. It is made clear that the lower appellate Court shall finally dispose of the proceedings expeditiously on its own merits in accordance with the law.
